Edw. J. Kuebler's Warehouse Fired.

Sometime between 4 and 5 o'clock last Sunday morning the wholesale warehouse of Edw. J. Kuebler was discovered to be on fire. The town fire department was quickly on the ground and with four streams of water succeeded in keeping adjoining property from suffering very serious loss. Mr. Kuebler lost his entire stock variously estimated at from 6 to 7 thousand dollars with no insurance. The building was a story frame, and in days gone by was once occupied by Ignatz Eckert as a brewery, but for the last 20 years or more has been used by Mr. Kuebler as a warehouse for the storage of surplus stock for his three department stores at Haysville, Portersville and Jasper. The Jewelry and Music Store of Frank Kuebler on the square had the roof burnt off, and the Home Telephone Co. was completely cut out by reason of their cables which ran past the warehouse being burnt up. The Home Co. went to work at once to replace their connections and if the weather had been again in working order by this morning. The roof of the Jewelry Store was replaced Sunday. There was \$500 insurance on the warehouse. The damage of the Phone Co., F. C. Kuebler, Heichelbech Hotel and Mrs. Mertens were covered by insurance. It was the largest blaze in Jasper for many years.

60 For Fisher.

Official Returns show that in Pike County Judge John L. Bretz received 897 votes and Hon. Leo H. Fisher 1026. Majority for Fisher of 129. In Dubois county Bretz 1844; Fisher 1775. Majority for Bretz 69. In both counties, Bretz 2941; Fisher 2801. Majority for Fisher 60.

PAYS TO ADVERTISE.

A Missouri woman, says the Lebanon Independent, advertised for a man. She got one at a cost of nine dollars. He afterwards enlisted in the army and was killed in a battle near Manila. She got \$5,000 life insurance and will get a widow's pension as long as she remains his widow. Yet some people say it doesn't pay to advertise.

H. M. Kean returned home Friday from Indianapolis where he had been assisting R. M. Milburn in landing the nomination for Attorney General.

The March term of Dubois circuit court convened Monday.

DOUBLY PROVEN.

Jasper Readers Can No Longer Doubt the Evidence.

This grateful citizen testified long ago.

Told of quick relief—of undoubted benefit.

The facts are now confirmed.

Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit.

Arnold Markley, shoemaker, First & Geiger Sts., Huntingburg, Ind., says: "Doan's Kidney Pills are worthy the name of an honest kidney medicine.

If they had only come to my attention sooner, I would have been spared a great deal of suffering and expense. My work is very confining and at times the pains in my back became almost more than I could stand. I looked badly and didn't sleep or eat well. A friend strongly urged me to try Doan's Kidney Pills and I did. They improved my condition in every way. Another of my family has also been benefited by them. I am just as strong in my praise of Doan's Kidney Pills now as I was when I recommended them, after they first helped me so much."

Price 50c. at all dealers. Don't simply ask for a kidney remedy get Doan's Kidney Pills—the same that Mr. A. Markley had. Foster-Milburn Co., Props., Buffalo, N. Y.

Dubois County Medical Association.

The Dubois County Medical Association met at Jasper on Tuesday, March 17th, at one o'clock P. M. in the Dubois County Courthouse.

The meeting was one of those extraordinary ones as to attendance every member in the County being present.

President Dr. Louis Lukemeyer called the meeting to order. To the roll call everyone proudly responded Present.

The minutes of previous meetings were adopted.

The program consisted in the reading of a paper by the Secy. Dr. E. A. Sturm of Jasper.

Subject was "Are Your Services Worth The Price?"

The writer in his paper emphasized the principle of thoroughness in our efforts. Touching strongly upon the points of Asepsis in its every detail. Urging more accuracy in diagnosis using all the late appliances and laboratory methods as an aid to attaining such. And especially emphasized the diagnosis of Tuberculosis in its incipency.

Also lightly mentioning points on infant feeding and treatment. Enjoining us to be more thorough practical and scientific, not forgetting medical ethics and the live and let live principles.

The discussion which followed was a very enthusiastic one, every member entered it with a vim. Many points of interest were touched upon. The discussion was a rousing success.

The next meeting will be held at Huntingburg on April 21st, at one o'clock P. M. the program will be rendered by Dr. O. A. Bigam of St. Anthony and Dr. Fred Rust of Holland. The subjects will be interesting ones and will be announced later. All members are again earnestly and cordially invited to attend. Let's get together and remain so.

Political Advertising.

There are indications that there will be more or less political advertising during the coming state campaign. Massachusetts newspapers have the business down fine. If parties or candidates wish any advertising they hire space at so much per line and fill it with whatever matter they think suits their side of the case. That is entirely legitimate political advertising. It shows on the face of it that it merely an advertisement and is paid for accordingly, just the same as any other display notice. It does not imply any acceptance or indorsement on the part of the editorial sanctum, but goes simply for what it is worth as a paid advertisement. Any paid advertising not of this class which seeks to get under cover of the editorial opinion should be viewed with suspicion and caution by newspapers.—Romersworth New H. Freepress.
